E-Consulting - More effective then onsite and cost reductive on both sides with best quality. Ideal for short-term cooperation.

Microjobs - Your users can turn up the right consultant, order a micro job, contact and get tasks carried out fast and professionally.

Why choose us?

First of all, we are a consulting company with a huge focus on service quality. We are not just an agency selling out-of-quality labor market resources. As a partner for your business we offer a professional approach, perfect quality and guarantee of satisfaction.

Solid foundation

The long-term cooperation of our members has given rise to a solid group of experts.

Different approach

We are breaking down stereotypes and going straight to a successful goal.

Long experience

We have put together a team of experts with many years of experience across disciplines.

Professional consulting

Our goal is to become a partner for your business. Always professionally, always on your side.

Our best services

As an up-and-coming consulting company, we helped many of businesses and streamlined their operations. We play a stellar role in delivering maximum operational efficiency and turning around their performance in the business, whilst also enhancing the level of their customer satisfaction and allegiance.

Project management

We have made mark with our quality project management services.

Process optimization

A great way to streamline a business process so that it can function more competently and effectively.

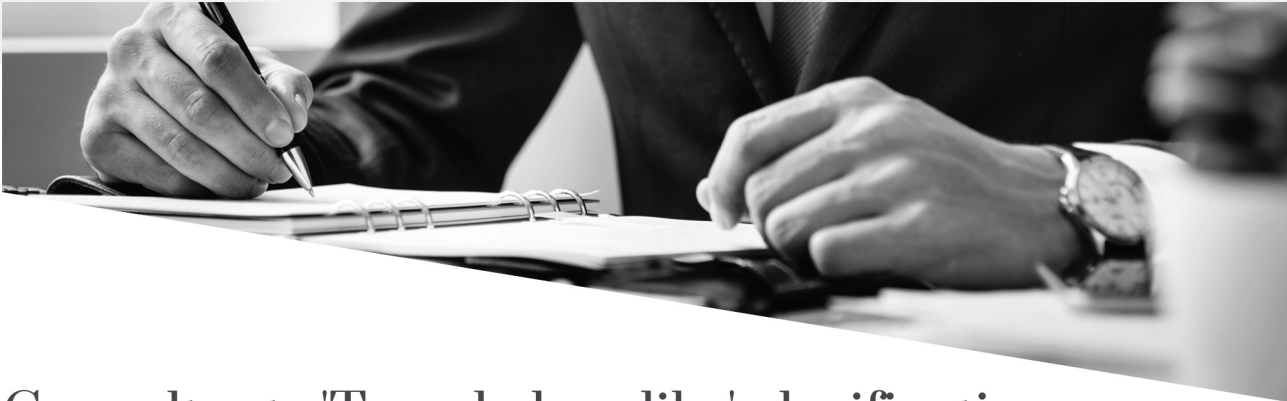

Business analysis

Our business analysts have a great mastery of every infinitesimal detail of your business with full accuracy.

SW implementation

We can provide implementation of Therefore, Suite CRM, Redmine, Ducu-x DMS and Docu-x OCR

Consultants 'Travel class like' clasification

Economy

Typical employee, not performing much, but cheapest solution for your business needs.

Business

Agency unhappy contractors, who perform well, but not the best at all due to agencies high fees (contractors usually get 50% of rate you pay to agency).

First-class

Our consultants who knows business well, do the best for client (not for agency) and have the right focus for client satisfaction also in very complex projects.

If you are interested in our services, do not hesitate to contact us to specify your needs, ideally send us an RFP. We approach each demand individually to best meet the customer's needs to its maximum satisfaction. We look forward to our future cooperation.
